ARMOM – Improving the Health of Thousands of Arkansans

What is Arkansas Mission of Mercy (ARMOM)?

ARMOM is an annual two-day free dental clinic sponsored by the Arkansas State Dental Association for underserved Arkansas. All services are provided free of charge by members of the Arkansas State Dental Association, assisted by a host of volunteers. Since ARMOM was started in 2007, over 6200 patients have been seen in only eight total clinic days! The number of procedures performed has been phenomenal:

11,606 extractions of bad teeth

6,694 fillings and other restorations

These donated procedures were worth an estimated \$2.7 million. Many of these patients might otherwise have had no hope of receiving care.

How You Can Help

Though all dentists and support personnel are volunteers who donate their time to ARMOM, there are still thousands of dollars of expenses involved in operating ARMOM. These include dental equipment and maintenance, dental supplies, food, water, and t-shirts for volunteers, as well as food and water for patients waiting in line, and numerous other miscellaneous expenses. Though we have several generous corporate sponsors who have made ARMOM possible, we gladly accept (and need) donations of any amount!
