Dr. Lee Ann Brady earned her D.M.D. degree from the University Of Florida College Of Dentistry. Her practice experience has been rich and varied. For 17 years, she worked in a variety of practice models from small fee-for- service offices to large insurance-dependent practices, as an associate and as a practice owner.

Dr. Brady was invited to join the Pankey Institute in Jan 2005, as their first female resident faculty member and was promoted to Clinical Director within a year. She was asked by Dr. Frank Spear to join him in the formation of Spear Education and the expansion of his curriculum in Sept. of 2008, as Exec VP of Clinical Education. This year Dr. Brady launched her website www.leeannbrady.com to offer clinical and practice content daily. In addition to being a dedicated educator, she maintains a private practice in Glendale, Arizona.
